

PRODUCT INFORMATION

Reference : FD-010-029

Technologies : Mifare Classic

DESCRIPTION

The proximity keys are designed to be water and liquid resistant as they are IP68 certified. They also meet the IK08 standard, which ensures that they are highly resistant to impact.

The keys can be personalised by screen printing or moulding the shell.

Compatible with all 13.56 MHz FDI readers, the FD-010-029 proximity keys are highly recommended for use with the Easy Door Controller system
