

PRODUCT INFORMATION

Reference : FD-020-047

Protocols : Wiegand

Technologies : 125 kHz

DESCRIPTION

Wiegand is a standard protocol. FDI Wiegand proximity readers are compatible with the majority of access control systems supporting 30-bit. FDI can develop 26-bit, 32-bit, 34-bit and other readers on request.

The FD-020-047 OEM proximity reader is a 30-bit reader.

TECHNICAL CHARACTERISTICS

Power supply

Operating voltage: 12Vcc

Wiring

Wiring: 5-wire / 100 m max. to the controller

Read distance

- Mifare® Classic : Up to 40 mm

Size

- Size (L x l x H) : 60 mm x 60 mm x 16 mm
