

PRODUCT INFORMATION

Reference : FD-500-481

DESCRIPTION

Do you need to manage a notice board located in a building hall, a meeting room or a shopping centre?

This IP notice board is the perfect solution. It can be updated remotely and display your media wherever you wish. Once the notice board installed, just log on to www.ipnoticeboard.com and manage communications across all notice boards from your office.

You can display:

- Images (JPG, JPEG, PNG),
- Videos (AVI, MPEG, WMV),
- Texts from PowerPoint, Excel or Word presentations, PDFs and texts edited in the software.

ECONOMIQUE et **ECOLOGIQUE** : plus besoin de papier ni de se déplacer sur site !
