

code: 210608 EAN: 5905378210608

Connector I mini linear for 3 phase
track LUMICANTO white PRIME

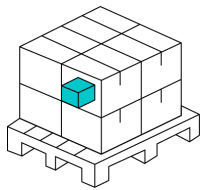

Ambient temperature suitable for operation

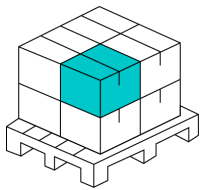

Parameter	Value
Warranty (years)	5
Rated power	220-240V AC
Rated current	16A
Housing material	Plastic
Mounting type	3 phase rail
Frequency of the supply voltage	50/60Hz
Colour	White
Ambient temperature suitable for operation	5÷40 °C

Parameter	Value
IEC protection class	I
Length	68 mm
Width	27 mm
Height	31 mm
Product weight with packaging	24 g
Power supply connection	no
Equivalent	XTS 21

Single packaging

Bulk packaging

Outer box quantity

200 pcs.

Europallet
