

160 i/7 Rack Screwdriver set Kraftform Plus Series 100, single-pole phase tester and rack, 7 pieces
Kraftform Plus – Series 100 VDE

EAN:	4013288041708	Size:	280x205x55 mm
Part number:	05006147001	Weight:	605 g
Article number:	160 i/7 Rack	Country of origin:	CZ
		Customs tariff number:	82054000

- Insulated blades for secure work at 1,000 volts
- Smooth hard zones for high speed turning, soft grip zones for high torque transfer
- Take it easy tool finder: colour coding according to profile and size
- Hexagonal anti-roll feature against rolling away
- Lasertip tips for more secure fit in the screw head

7-piece screwdriver set with individually tested, insulated screwdrivers as per IEC 60900. Individual testing at 10,000 volts so as to ensure safe working at the permitted voltage of 1,000 volts. Kraftform Plus handle for pleasant, ergonomic working that makes blisters and calluses a thing of the past. Hard gripping zones for high working speeds whereas soft zones ensure high torque transfer. Partially Lasertip: the tip literally bites itself into the screw head and prevents any slipping. Take it easy Tool Finder: colour coding according to profile and size. The anti-roll feature prevents any bothersome rolling away at the workplace. Including single-pole phase tester and 1 rack for storage.

Individually tested

The individual testing at 10,000 volts, in accordance with IEC 60900, ensures safe working with loads up to 1,000 volts.

Our screwdrivers are tested for dielectric strength under a 10,000 volt load to make sure that their most important property, their insulation, has been exhaustively tested. Each individual Wera VDE screwdriver is subjected to this test to guarantee safe working up to 1,000 volts.

Lasertip

A precisely-focused laser creates a sharp-edged surface structure. Wera Lasertip "bites" itself into the screw head and prevents any slips out of the recess. It is available for screwdrivers for slotted, Phillips and Pozidriv screws.

Reduced contact pressure

Wera Lasertip reduces the contact pressure required and enhances force transfer - meaning less screwdriving effort is required. Screwdriving becomes safer and easier.

Impact strength test

Impact strength tested at -40°C, guaranteeing safety even under extreme conditions.

Prevents hand injuries

The outstanding design of the Kraftform handle that fits perfectly into the hand prevents hand injuries such as blisters and calluses.

Rapid hand repositioning

The hard materials used for the handle ensure rapid hand repositioning without any danger of the skin "sticking" to the handle. The surrounding hard zones with large diameters glide like wheels through the hand.

"Take it easy" Tool Finder

Screwdrivers with "Take it easy" tool finder: colour coding according to profile and size stamp.

160 i/7 Rack Screwdriver set Kraftform Plus Series 100, single-pole phase tester and rack, 7 pieces
Kraftform Plus – Series 100 VDE

Set contents:

162 i PH VDE Insulated screwdriver for Phillips screws, PH 1 x 80 mm

	05006152001	1x	PH 1 x 80 mm
	05006154001	1x	PH 2 x 100 mm

160 i VDE Insulated screwdriver for slotted screws, 0.4 x 2.5 x 80 mm

	05006100001 ¹⁾	1x	0.4 x 2.5 x 80 mm
	05006110001 ¹⁾	1x	0.6 x 3.5 x 100 mm
	05006115001	1x	0.8 x 4 x 100 mm
	05006120001	1x	1 x 5.5 x 125 mm

1) without Lasertip

247 Single-pole phase tester, 0.5 x 3 x 70 mm

	05005655001 ¹⁾	1x	0.5 x 3 x 70 mm
